## Finding Us

### Location

Our office is located on Level 1 Suite 102, of the Commerce Building. It is located on the corners of Liverpool Street and Dixon Lane, Sydney NSW 2000.

We are within walking distance to World Square, the Chinese Garden of Friendship, Darling Quarter, and Haymarket.

### Accessing the Building

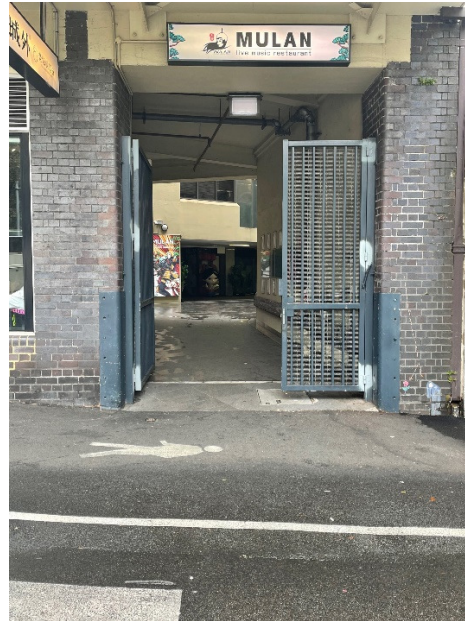

Entry to the building is at 39 Liverpool Street. Look for the red doors, see below:

When you go through the red doors, you will see some stairs – these are locked so you need to proceed through the courtyard area and take the lift.

### Wheelchair Access

Access is through the gates on Dixon Lane:

### Lift Access

The lift is in the centre of the open building courtyard and is accessible to all patrons.

*The lift buttons are on the right-hand side separate to the lift.*

When exiting the lift on Level One, the office is down the hall on your left.
